Hi Sally

That's great news re the subs!

Is your CLO able to lodge the submission on the system (as either pre-ed or ED)? We can take over the finalisation process from there, and are happy to talk through this at our chat tomorrow.

Thanks!

s

Hi Sally and § 22

With the change in meeting date, we thought it gives us an opportunity to have a quick chat tomorrow about the items coming forward and what the covering submissions might need to include. Would you have time between 11:30 and 12:30 tomorrow for half an hour?

We thought it might also be useful for one of the CLO's to join noting the need for a covering submission is a change to previous process.

Thanks and happy to chat
