Hi all,

PM&C has released [Cabinet Circular 9 of 2022 - Governance Requirements for Government Campaign Advertising](#) (I have saved to the drive for easy access).

The circular is available to all Cabnet+ users. PM&C has notified department and agency CLOs of the release and it is their responsibility to circulate to relevant staff in their organisations.

When we email contacts who attended yesterday's session, we will also advise them that the Circular is available.

PM&C also released the latest edition of the [Cabinet Handbook](#) (15th edition).
