Many thanks for attending the information session on campaign governance arrangements on Tuesday.

I have attached a copy of the presentation slides and the Q&As generated from the session for your reference.

PM&C has released *Cabinet Circular 9 of 2022 – Governance Requirements for Government Campaign Advertising*. The Cabinet Circular is available to all Cabinet+ users. You can request a copy from your Cabinet Liaison Officer.

I will let you know when s22 GovTeams site is live.

As always, if you have campaign activity, please get in touch with CAB and we can guide you with the required governance processes.

Kind regards

Sally Harris.
