Thanks s22 – we only got a draft of the letter in the last couple of minutes from DISR. We may have some proposed changes/edits – which we will share back through DISR and would be reflected in the final version that we attach to our Ministerial Submission.

We will aim to provide DISR with feedback today, but our Ministerial Submission is likely to be Monday/early next week.

Appreciate you keeping us updated if there is an escalation in terms of urgency.

Regards,

s22

Hi s22,

For your visibility only. DISR will consider our proposed changes and provide an updated version to their MO (in clean), and from there it will come across to the Finance Minister's Office.

We will submit our briefing to the Minister on Monday (we've created the reference number in PDMS to be able to refer to in the top right hand corner).

Thanks,

s22
