**Our community is growing fast.**

Is there anywhere better to land a first job, to raise a family, or to retire? I don't think so.

**But more people means greater demand on services like hospitals and roads.**

This means you and I must be vocal in demanding a fair allocation of tax dollars from the State and Federal Labor governments.

That's why together, we're fighting hard to make sure Mark McGowan's Labor Government fixes the Peel Health Campus.

That's why I won't rest until Anthony Albanese and Federal Labor reverse their appalling decision to put the brakes on the Pinjarra Heavy Haulage Deviation.

And that's why I've worked so hard to deliver the major upgrade to Thomas Road in Serpentine Jarrahdale and the Byford Rail Extension.

I know you're feeling the pressure of more expensive groceries, higher interest rates and skyrocketing power bills (electricity up 56%, gas up 44% over the next two years).

**Yet the Albanese Labor Government refuses to back the tax cuts locked into the budget by the former Coalition government – this would be real money in the bank for you and your family.**

Instead, we have a Prime Minister leading us blindly to his 82% renewables target.

**You're right to be concerned.**

The cold hard truth is that Labor doesn't have a plan to keep your costs down.

**Everywhere you look, Labor refuses to put you first.**

You and your family are way down the list.

**My mission is to make sure you're always first.**

Best Regards
